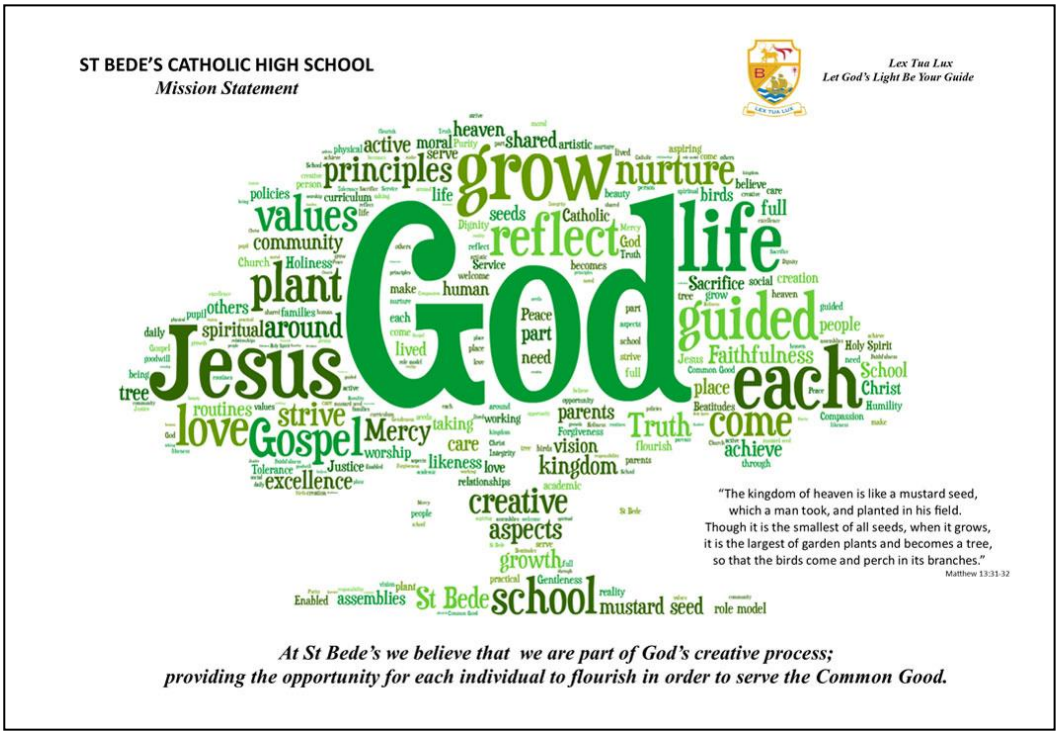
St Bede's Catholic High School

Governors Welcome



The Governing Body at St Bede's are the strategic Catholic leaders of our High School and have a vital role to play in making sure every child gets the best possible education. At St Bede's we believe that we are part of God's creative process; providing the opportunity for each individual to flourish in order to serve the common good.

The guiding principles of our Catholic shared vision of life;

That we are all made in the image and likeness of God,

That the ultimate role model for being a full human being is the person of Jesus Christ

The Governing body meets at least once a term. We use committees to look at more detailed aspects of our work. Committees look at issues such as the curriculum, pupil welfare, attendance, admissions, health & safety, finance and premises.

Governors Register of Interest, Instrument of Governance and committee members can be accessed via the school website. Governors are volunteers and come from a range of backgrounds, bringing varied knowledge, skills and experience to the role.

Ofsted Section 5 (2015): "The governing body monitors the pupil premium funding very effectively. Governors have a good understanding of the school's work and contribute well to the strong leadership of the school".
