1<sup>st</sup> July 2019

Dear Parents/Carers

As part of preparation for KS4 studies, we will be screening all the children during the day on the 12th July.

This involves your son/ daughter completing an assessment using a computer. The assessment will last about 40 minutes and the results help us decide and support exam arrangements.

At this point in your child's education, it would be really supportive if they had an up to date eye sight and hearing test to ensure eyesight and hearing are in good working order. Worthy of consideration also, is the purchase of pens for September 2019 - try and purchase black ink pens that have a comfy grip to support extended handwriting and reduce pressures on your child's handwriting grip.

Over the Autumn term 2019 myself and Mr Lockyer will be working hard to settle your child into their KS4 curriculum.

Kind regards
