

# WHAT'S THE LATEST FROM ST BEDE'S?

## The summer term begins

With the summer exams on the horizon the exam machine is well and truly up and running at Bede's. We have extra revision classes on top of the usual extra-curricular activities taking place throughout the school. You would be forgiven for thinking school closes at 5pm and runs 6 days a week as the students and GCSE students are putting in the hours to work toward more 'World Class' outcomes. Please keep our students and teachers in your prayers at this time. Despite the upcoming exams, the wider life of the school is still thriving and there is much in this edition of the blog to celebrate.

## Year 7 trip to York University a big success

The Year 7 ROAR programme got off to a fantastic start with a visit to York University on 25 April. The day gave the pupils the opportunity to see what life at university is really like. The day included a tour of the campus and the facilities. Pupils got the chance to learn about the wide variety of courses, clubs and opportunities available to them at university. One activity involved learning about student finance and budgeting. Some of the group admitted to being shocked by the fact that they would have to do their own cooking and washing! Many were impressed by the campus and the different types of student accommodation available. One of the highlights of the day was the chance to look at potential career pathways based on their current interests and skills. The results proved very interesting. It appears that we have many potential doctors, dentists, designers, vets, computer programmers, pilots and artists within the current Year 7. The programme, which is delivered in conjunction with St John Rigby College, will now continue on Thursday evenings as pupils prepare their mini dissertations and presentations on the issue of whether mankind is destroying the planet. Their hard work will be celebrated at their graduation event on Thursday 5th July 6.00pm here at St Bede's – everyone is welcome to attend.

## Bede-fest gets everyone in the Easter spirit

Spring term went out with a bang as we held our annual charity rock festival B-fest. Pupils rocked out to live music provided by pupils and teachers. There was a great atmosphere as our pupils cheered all who performed on stage, but it is fair to say that Mr Molyneux stole the show with his rendition of 'Rocking all over the World'. The year 11 dream team provided the stalls which this year included henna tattoos, rave paint, face paint and a photo booth. Thanks to all who participated and donated. Money raised will be donated to Cafod and Nugent Care.

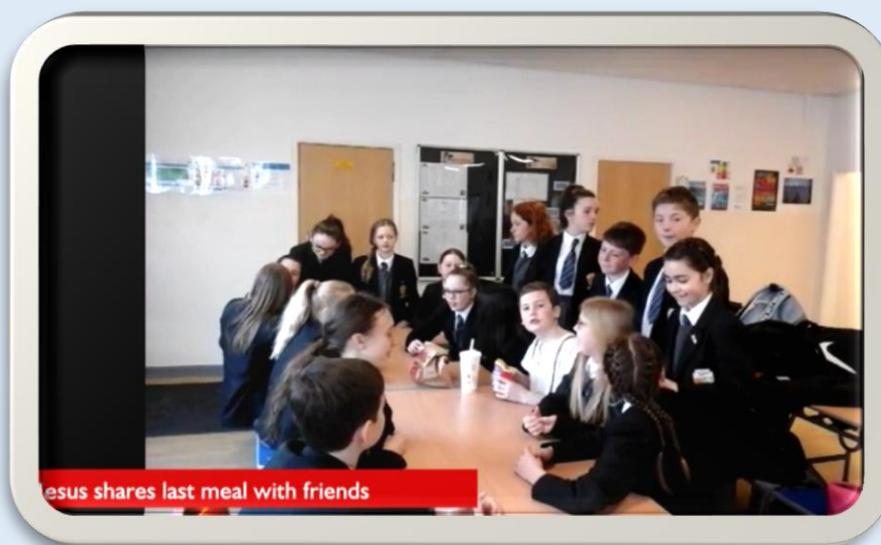

## Musical successes

We have had another amazing musical few weeks. The Chamber Choir, once again, made me extremely proud when they performed beautifully in the Easter Services. We also have a number of new members whose first gig it was!

## Easter services observed

We celebrated Easter liturgies with all pupils in school last week. This year our liturgies focused on call to us all to be witnesses to Jesus' resurrection. We told the story of Jesus' last days through a news bulletin which included videos shot throughout the school. Thanks to all staff and pupils who starred in the videos.

## Big Book Quiz success

Miss Letki and Mrs Cain went with the following students to Tarleton Academy on 28th March to take part in the Big Book Quiz.

### Year 8

- Emily Martin
- Violet Costello
- Lizzie Parry
- Madeline Irlam
- Yantar Kawczak
- Sean Hartnett
- Jake Sinnott
- Isobel Turnbull
- Rebecca Moss
- Nathan Evans

### Year 7

- Niamh Trigwell
- Joseph Allen
- Isabelle Doran
- Hannah Dykes
- Susie Owens

The quiz was centred on 4 books that the students read over a 5 week period. The two Year 8 teams came 1st and 2nd and they are in to the final (date TBC). Our Year 7s came third!

## Josh claims double European gold

Over the Easter break, Year 8 student Joshua Tobin competed at the European Taekwondo Championship. Joshua won gold in the individual category against very tough competition and a 2nd gold in his U14 team. This is an amazing achievement: Joshua was an excellent ambassador for the school and for the GB team and we are really proud of him.

## Karate success for Mikey

Mikey Molloy of Y10 has had a great deal of success competing with the GB karate team. Recently, he won bronze in the British championship. He was very close to winning gold which he hopes to win at his next event. Michael, who is now an integral part of the GB karate team, is now working toward selection for European Championships. He has been successful at the European level before so he is also aiming to compete at the World Championships. Mikey is another example of a great ambassador for St Bede's both inside and outside of school.

## Students achieve awards for book cover design

Students have been designing book covers as part of a competition. Two students have been picked by the Chapel Gallery as a commended entry and a runner up; Evie Jackson and Alice King. The Chapel Gallery have now exhibited our students' designs in their exhibition. It is great to see art as a subject going from strength to strength across the school. Well done to all who took part, especially Evie and Alice.

## MFL news

### Year 11 Speaking Exams

Well done to all our year 11 linguists who sat their speaking exams in French and German last week. 1 paper down, 3 to go! We were all most impressed with how calm pupils were, and some very thorough revision had obviously been undertaken by them during their Easter holidays. This is fantastic. Don't forget that revision sessions are still running until all language exams are complete.

French 'drop in' revision: room N3 during Monday and Friday lunchtimes.

German revision: after school on Tuesdays

French / German revision: after school on Thursdays. Don't forget!

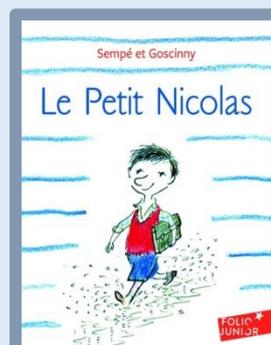

Russian club is back!

This will be starting next Thursday 10<sup>th</sup> May at lunchtime in N3 - for any pupils in year 8 who fancy learning a beautiful new language! If they wish to continue with the course into year 9, they will be working towards a level 3 qualification by the end of year 9. Notices will be going in to registers soon.

Literacy in MFL matters.

As part of our Literacy Matters in MFL Initiative, we have been celebrating different French and German books that are available to borrow in the library. This month's book - Le Petit Nicolas - is a favourite with our pupils.

Petit Nicolas started out as a comic strip in a newspaper and then became a series of books about a boy called Nicolas and his friends. Nicolas is always getting up to mischief at home and at school. The stories are very funny and hugely popular in France.

You can borrow the book from MFL and we also have the film!

## Parents...we need to hear your voice!

If you are interested in joining our new parent focus group, please do email [admin@sbchs.co.uk](mailto:admin@sbchs.co.uk). We are looking to gather together a group of willing parents who could share commonly held views on issues such as reports, homework, planners and more. If you are interested and would like to come to an introductory meeting please do let us know by 17<sup>th</sup> May, 2019.

## Would you like to join our World Class team?

We are currently looking to recruit in various roles in the school including; Teacher of English, Site Supervisor, Chaplain and Cover Supervisor. For more information please visit our website:

## Parking message

We have had several complaints about parents parking in areas around the school at the end of the day. Please could you park carefully to ensure pavements and roads are not blocked. We have issues in front of school with parents parking across neighbours' drives and opposite the buses which causes additional congestion. The school is working with Safer Travel in order to find an effective solution.

# School Parking

### A Guide to Parking Safely at Our Schools

Inconsiderate and dangerous parking around our schools has become a big problem, putting the safety of children and others at risk. We all want to keep our children safe around schools, so here's some top tips on how you can make a difference.

**Did you know?**  
One in five cars in the morning rush hour is taking children to school.

**How Can You Help?**

- ✓ Keep your speed down
- ✓ Turn your engine off if leaving your vehicle
- ✓ Leave the middle of the road free, with enough room for other road users to easily pass through
- ✓ Make sure your child leaves and enters your vehicle safely onto the pavement
- ✓ Check for pedestrians and cyclists before opening a car door
- ✓ Leave enough room on pavements for pedestrians to get past
- ✓ Take care when reversing

**Please Keep Clear...**

- ✓ Zig Zags and School Entrances
- ✓ Dropped Kerbs
- ✓ Resident's Driveways
- ✓ Opposite or within 10 meters of a junction- so that children can see cars and cars can see children

**Your questions answered...**

**Can I double park if I remain in my vehicle?**  
No, vehicles parked in the middle of a road cause obstruction for all road users and may obstruct the line of sight for pedestrians and children crossing the road.

**Am I okay to park on zigzag markings if I am only there a few minutes?**  
No, under no circumstances should you park on zig zag markings at any time, these are there to protect school entrances and leave a clear view of the street for pedestrians.

www.lancashire.gov.uk

**Don't Forget...**  
Congestion around schools is one of the main reasons given for dangerous parking and there are other ways you could do the school run.

**Have you considered...**

- **Walking or cycling to school instead?**  
This is a great way to contribute to a child's 60 minutes of activity a day and is easy to incorporate into your daily routine. Try it once a week at first and see how easy it can be.
- **Parking nearby or getting off the bus two stops earlier and walking the rest of the way.** If you live too far away to walk or need your car for your commute to work you can still walk part of the way. Doing this everyday could add up to an adult's recommended 30 minutes of moderate exercise, 5 times a week.
- **Car Sharing is a great way to reduce congestion and save you pennies.** Team up with other parents or carers who live nearby- share the cost and halve the hassle.

If you have a parking concern outside of your school report it online at [www.lancashire.gov.uk/parking](http://www.lancashire.gov.uk/parking) or **Call 0800 1952774**

## Simple, straightforward behaviour policy adopted

Around the school we have a clear and more consistent behaviour policy for both staff and students to follow. The revised approach has come from discussions amongst staff. It is hoped that this new system makes our expectations clearer and allows students to see how they may be rewarded for great work. It also explains clearly the steps that will be taken should the learning or safety of any child be disrupted. Please speak to your child about this or contact school should you have any questions. As you will see, we are asking students to be;

1. Ready
2. Respectful
3. Safe

## Revision starts now

With the right approach and application this could be another year of great success for students at St Bede's. Revision sessions are already up and running so make sure you are attending to support your chances of success this summer.

## Important notice for parents

In our continued move to a cashless catering system and due to having no local bank providers, we need to reduce the amount of cash brought into school. With effect from Monday 7th January 2019 pupils wanting to top up their dining account in school through the revaluer will only be able to use notes; £5, £10 & £20. Coins will no longer be accepted. Our Finance team will not be able to change coins for notes. All top ups to pupil accounts can be undertaken via our e-payment method of ParentPay.

You are able to check your child's spend and dinner balance using ParentScope which can be accessed via; [www.lcrltd.com/stbedesormskirk](http://www.lcrltd.com/stbedesormskirk).

## Are you considering teaching?

St Bede's is part of the Catholic Schools Direct programme which trains and develops teachers within a Catholic setting. There is a combination of university input and on-the-job training. Please see the flyer below and make contact via the details shown.

### Interested in teaching in a Catholic Secondary School?

Wigan & West Lancashire  
**Catholic School Direct**

We believe in nurturing the whole child, to grow in faith and realise their full potential.

We believe that you will have the best start in your teaching career by choosing to train within our supportive Catholic community.

Teachers trained by us make a positive difference to children's lives.

School Direct is a teacher training programme which puts schools/colleges at the heart of the process. You will be trained in two of our good or outstanding Catholic schools in the Liverpool Archdiocese (Section 48). This will lead to the award of Qualified Teacher Status (QTS).

Our partner, Liverpool Hope University, will work with us to provide additional high quality training which leads to the Post Graduate Certificate of Education (PGCE).

(Our schools / colleges work closely together to provide an on-going programme of Continuing Professional Development to enhance your career.)

We welcome enquiries and applications from committed graduates who wish to join us in shaping Catholic education in the future.

We have training places for September 2019 in the following subjects;

<p><i>Mathematics</i></p> <p><i>English</i></p> <p><i>Physics</i></p> <p><i>Chemistry</i></p> <p><i>Biology</i></p> <p><i>History</i></p> <p><i>Physical Education</i></p> <p><i>Geography</i></p>	<p><i>Religious Education</i></p> <p><i>Computer Science</i></p> <p><i>MFL—Spanish with French</i></p> <p><i>MFL - Spanish</i></p> <p><i>MFL—French with Spanish</i></p> <p><i>MFL—French</i></p> <p><i>Music</i></p> <p><i>Drama</i></p>

## Find out more about SEND provision in Lancashire

If your child has a special educational need or disability you may be interested in finding out more about what is on offer in Lancashire to support their needs.

As their website explains: 'The Lancashire SEND Partnership was formed following the Ofsted and the Care Quality Commission (CQC) joint inspection of our special educational needs and disability (SEND) services.

The partnership brings together all the agencies in Lancashire which provide the SEND services for children, young people, their parents and carers. It ensures everybody can work together to deliver the best outcomes for children, young people and their families.

The report by Ofsted and CQC highlighted a number of significant areas of weakness, which is a concern to everyone involved. Since the report was published we have established the SEND Partnership Board produced an action plan, made some significant changes to improve key areas of services and recruited new people to the team.

The Department for Education (DfE) will be holding regular reviews to monitor our progress'. In order to access this information and all their latest news visit:

## Prayer from our Chaplain

### Requests for prayer

As we enter this exam period, we pray for all of our students taking their GCSE exams. Finally, we pray for all of our school families, especially those experiencing difficult times. May you all know the Lord's presence.

### Let us know your news!

If you are involved in any exciting activities or you have stories of St Bede's from years gone by please contact school and we can celebrate this in our fortnightly blog. Also if you have a relative or friend who you would like our school community to pray for let us know via [admin@sbchs.co.uk](mailto:admin@sbchs.co.uk).

God bless,

Mr P Denton, Headteacher
